Olathe - 29 Miles
OHV access to gas & amenities
Houser Cutoff
A more rugged cutoff that saves 9 miles off the Rimrocker Trail Route.
Burro Creek
A more rugged alternative across the plateau. After leaving Divide Road, this route is steep, narrow and minimally maintained. The views are AMAZING! Travelers utilizing this option will bypass Nucla.
High Water Crossing
May be impassable during spring runoff.

Rimrocker Trail to Olathe
Olathe Loop
Riders wanting to access gas and services in the Town of Olathe can utilize the Olathe Loop. From the Rimrocker, this alternate route descends through rocky canyon and desert terrain covered in pinon and juniper vegetation. After leaving public lands, users will travel through scenic farm and ranch country on the way into town.
